AMENDMENT

Dear Sir:

25 In response to the Office Action of the above date, the application is amended as follows:

INTRODUCTORY COMMENTS:

Five paragraphs of the specification have been altered slightly for clarification and to correct minor typographical errors. One paragraph has a new sentence added to better
5 explain a claimed feature. No new matter has been added.

All of the original claims 1 – 20 are hereby cancelled, and corresponding new claims 21 – 40 are hereby added. The new claims address examiner's causes for rejection and should therefore place the application in condition for allowance.
